

The Baptist Bariatric Center of Excellence

Jeffrey E. Friedman, M.D.

Jeffrey E. Friedman, M.D., is a board-certified, fellowship-trained bariatric and general surgeon. He specializes in minimally invasive bariatric surgery, and is certified in a variety of bariatric specialties including advanced LAPBAND® procedures.

Dr. Friedman has more than seven years of extensive training. His weight-loss surgery certifications include:

- Gore Minimally Invasive Fellows Course
- Inamed Lap Band Course
- Inamed Advanced Lap Band Course
- SAGES Flexible Endoscopic Surgery Course
- Stomaphyx Certification Course
- Ethicon Realize Band Course

Dr. Friedman earned a biology degree from Emory University and his medical degree from the University of Mississippi School of Medicine. He completed surgical residencies at Mary Imogene Bassett Healthcare in Cooperstown, NY, and Carraway Methodist Medical Center in Birmingham, Ala. Dr. Friedman served as an E. Donnel Thomas Research Fellow and a Minimally Invasive Surgery/Bariatric Surgery Fellow. Prior to joining Baptist, he served as Assistant Medical Director for a local, hospital-based weight-loss surgery program.

Dr. Friedman is a member of:

- American Medical Association
- American College of Surgeons
- Society of American Gastrointestinal Endoscopic Surgeons
- Pensacola Surgical Society
- American Society of Metabolic and Bariatric Surgeons
- Society of American Gastrointestinal and Endoscopic Surgeons
